

# LX3DG

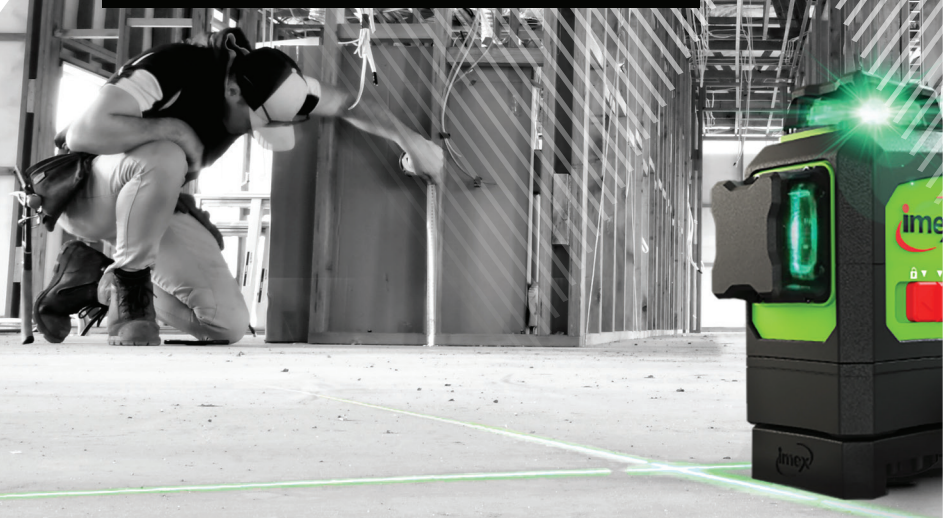

## MULTI-LINE LASER

### GREEN BEAM

**LX SERIES II**

The ultimate in multi-line laser levelling, the Imex LX3DG has full 360° uninterrupted lines and a unique preciseALIGN™ fine adjustment which pivots from the datum point for the optimum levelling experience. Powered with a lithium platform, the kit includes a spare battery for maximum efficiency.

- > Green beam
- > 1 horizontal, 2 vertical lines
- > All lines 360° uninterrupted
- > PreciseALIGN™ fine adjustment
- > Heavy duty magnetic bracket
- > Ceiling set-out bracket
- > Lithium battery

LX3DG – Green beam	012-LX3DG
Self levelling range	4° ± 1
Out of level indication	laser blinks on/off
Laser beams	1 horizontal, 2 vertical 360° lines
Laser accuracy	±3mm @10m
Laser class	Class 2
Laser wavelength	520nm ± 10 nm
Laser distance	20m light dependent
Laser distance with optional detector	50m
Power source	5.2 Ah lithium ion
Charging type	USB-C
Run time- all beams	5 hrs approx.
Control switch	1 button, pendulum lock
Unit adjustment	PreciseALIGN™, fine adjustment screw
IP Rating	IP54
Operating temperature	-10° to +50°C
Storage temperature	-20° to +70° C
Unit weight with battery	1kg
Warranty	3 years
Re-calibratable	Yes
Spare lithium battery	Yes
Kit Inclusions	unit, lithium battery x 2, USB-C charger, magnetic bracket, ceiling bracket, operating manual, plastic carry case

**PreciseAlign™**  
Up to 10° Fine Adjustment for precise 90° set out on LX3DG.

**5.2Ah Lithium Battery Platform.**

**360(degree) Layout**  
Horizontal and vertical 360-degree layout.
