A screenshot of the 'Register for an online account' form on the Aptella website. The form includes fields for 'First Name', 'Last Name', 'Country', 'Company', 'ABN', and 'Email'. There are radio buttons for 'Business' (selected) and 'Personal'. A 'Password' field is present with a strength indicator showing requirements: one lower case character, one upper case character, one number, one special character, and a minimum of 8 characters. A 'Register' button is highlighted with an orange box. Below the form, a note states: 'By clicking 'register' above, you agree to Aptella Terms & Conditions and Privacy Policy'.

2) Once you've fill the details. Please click the Register Tab

3) Next once you've registered. Please login via the Aptella webpage.
