

Attention
AllDayRTK Users
New Regulation 13 Certificate
Site: Nowra (NWRA)

Please Read: Important Information

1 What

The AllDayRTK team will update the coordinates of Nowra (NWRA) to align with the latest Regulation 13 Certificate issued following an antenna change.

2 When?

11/11/2025, 17:00 AEDT

3 Impact!

Users may observe a height shift resulting from the new antenna's phase centre offsets and variations (PCO and PCV).

Antenna changes can impact users, which may be evident when checking against previously established survey control points and marks.

4 Recommendation

We advise that users check existing controls to ensure that any differences found does not affect any pre-existing or future work.

It may be necessary to re-localise jobs and control points to reduce discrepancies caused by the updated coordinates.
